Sir,

Re; Reappropriation of Government grant of Rs 1500/-sanctioned for the extension of the pipe line, Arakalgud Municipality

With reference to your letter No L 519/ml 102-42-116 dated 10/7/43 on the above subject, I have the honour to state that the President of Arakalagud Municipality reports that the question of extending the pipe line could not be taken up in view of the abnormal rise in the cost of the pipes etc Further the places where the drinking water wells are proposed to be sunk are within the Municipal jurisdiction

The delay in recommending for the diversion of the said grant was due to the fact that the Municipal Council did not send up their proposal earliar and it was presumed that the Council would utilise the grant for the purpose for which it was granted

In the circumstances I request you to kindly obtain the sanction of Government for the proposed diversion of Government grant and communicate the same early

I have the honour to be,
Sir,
Your most obedient servant

Deputy Commissioner,
